

7-DAY LEARNING BREAKTHROUGH CHALLENGE

DAY 1

Think about the emotions, actions, or lessons in the picture.

SEE IT

Look at the images on this sheet. What do you see?

Choose one image and create a short story based on it.

Today, we're tapping into the power of visual learning

A powerful way to boost memory, creativity, and understanding.

Whether it's through images, colours, mind maps, or observation, seeing things in a new way can help ideas come to life!
